INVESTING WITH AN OPERATING PERSPECTIVE

Chicago, IL – LaSalle Capital Group (“LaSalle Capital”) is pleased to announce that it has completed the acquisition of Pacific Maintenance Services, Inc. (“Pacific”), as an addition to its Paramount Building Solutions janitorial services platform. Founded in 1995 in Redlands, California, Pacific provides floor care and other outsourced building maintenance services to premier grocery store chains in Southern California.

Glen Kucera, CEO of Paramount, commented, “Pacific is a highly complementary acquisition for Paramount due to its self-perform model, strong customer relationships and geographic footprint. We are excited to partner with Dave Schulte and his team to continue to expand the business.”

“The Pacific acquisition further strengthens Paramount’s leadership position in the West Coast market and diversifies our customer base,” stated Kelly Cornelis, Partner at LaSalle Capital. “We look forward to growing the combined business and leveraging Pacific’s customer relationships and operational expertise.”

If you have questions regarding this acquisition or would like to discuss other opportunities in the janitorial services industry, please contact either Kelly Cornelis or Jeff Walters at LaSalle Capital.
